## WPA APPROVES CAMPUS WORK STARTS SOON

### $65,000 on Projects Is the Word Coming From Congressman Jones at Washington

### HOPE EARLY START

### District Director Will Use Influence to Get Projects Released at San Antonio Office

Several WPA projects on the W. T. Campus were approved in Washington, Oct. 28th, according to a letter received Sunday by Dr. J. A. Hill from Congressman Marvin Jones.

Completion of the work in the gymnasium was the major project which has not been approved.

No work order has been received in Randall county, but is expected within a few days.

A. A. Meredith, district WPA manager, assured the News yesterday over long distance that he was wiring the state office at San Antonio to release one or more projects for Randall county in order that men might be put to work. This county is among the few on the Plains which has received no approved contracts from Washington, although several have been approved and sent to San Antonio. "There are thousands of projects to handle at San Antonio. We will get the men to work as soon as the projects may be cleared from that office," stated Mr. Meredith.

Dr. Hill is going to Austin Tuesday, and if nothing has been received by that time will go to San Antonio to see if he cannot get the approval of one or more projects in order to get work started here.

All relief by the federal government will end this month, and it is planned to have a sufficient number of projects under way to take care of all men able to work.

## Old Clothes Pay Way Into Matinee Tuesday at Olympic

For benefit of the community chest, the Olympic Theatre is giving its annual "Old Clothes" matinees next Tuesday afternoon. No money is necessary to attend the matinee Tuesday, but it is necessary that you bring an old garment or any number that you have, and leave them at the door as your price of admission.

The picture that Mr. Wooten will show is "Strangers All" with May Robeson, the lady who has been named as the possible successor to Marie Dresler. It is a good picture and one that people are sure to enjoy. Everyone is urged to attend and help this worthy cause.

## *Will Rogers Fund Started Here With Number Donations*

Citizens of Canyon have expressed interest in the movement to erect a national memorial to the memory of Will Rogers.

Alvah Doak has the honor of being the first to bring in his donation to the News office and asked that it be forwarded to the state headquarters at Fort Worth.

Other citizens have left money with The News for this purpose.

The Rotary club appointed D. A. Shirley, Dr. J. A. Hill and C. L. Thompson to assist with the collection of funds.

Citizens who desire to make contributions may see any of these, come to The News, or leave the money at the First National Bank.

A national wide move was started Monday, which would have been the 56th birthday of Will Rogers. Free will donations are being accepted in such amounts as citizens wish to contribute to this fund. A fitting memorial will be erected at some place chosen by the committee which is charged with the responsibility of erecting this memorial. Vice President John Garner, Jesse Jones, Amon G. Carter, Governor Allred, and many other prominent citizens are directing this campaign.

Every cent collected will go directly into the memorial fund, and the type of memorial will depend upon the amount of money collected.

## *Wheat Contracts Ready for Farmers on November 14th*

Application for wheat allotment contracts will be signed in the various communities in Randall county on Nov. 14, according to plans made by the County Allotment Committee.

There will be a general committee meeting on Nov. 12 to make plans for finishing up the sign-up program and for instructions regarding the assigning of allotments to the individual producer by the new appraisal method.

Applications are being prepared by the County Agent's office this week, but will not be ready for signature until Nov. 14. A few producers have not yet turned in their land description and name of present operator of farm. These should be in the office this week, as Nov. 15 is the final date for signing applications. The landlord's signature is not necessary on applications at this time. These may be secured at time of signing final contracts.

It is estimated that Randall county will have about a 96% sign-up under the new four year program.

## Man Is Found Hanging Under Santa Fe Bridge

### No Identification Found —Buried Yesterday—Is 4th Unknown Found in Three Years

A man was found hanging dead under a railroad bridge west of Canyon yesterday morning. M. C. Sanders, section foreman, reported finding the body to Sheriff Bob Barnett. Justice of the Peace B. F. Machen conducted the inquest, finding that the man had taken his own life by hanging.

No identification marks were found. A belt buckle bore the letter "W" and this initial seemed to have been scratched in his hat.

In his pocket was a razor blade around which a paper was wrapped. The name "Ed J. Noulette" was written on this paper. No papers of value were found on the body.

The body was in bad condition, and it is believed that the man had been dead at least a week.

The man was rather short, age about 55 years, had on worn, but clean clothes. His body seemed to be clean and his hair combed. His hat was straight on his head, indicating he had died without a struggle.

This is the fourth man who has been found dead in Randall county in the past three years with no identification, states Sheriff Barnett.

Owing to the condition of the body it was necessary to bury the man yesterday in Dreamland Cemetery.

### COMMISSIONERS COURT TO MEET NEXT TUESDAY

On account of Armistice Day coming on Monday, the regular meeting of the Commissioners Court will be held next Tuesday.

All offices in the court house will observe the holiday.

It is likely that most of the business houses in Canyon will be closed most of the day.

### LUMBERMEN MEET

C. R. Burrow attended the district meeting of lumbermen at Pampa last night. He is president of this district organization.

Guests of Mrs. Jamie D. Talley and Mrs. Irene Wilson over the week end were Misses Frances Lester and Alice McKaig, both of Dumas and Mrs. Ben Talley of Miami.

## Wheeler Will Talk Thursday Night at Palo Duro Park

Dr. H. N. Wheeler, lecturer for the National Park Service, will deliver a lecture at the recreation hall at the Palo Duro Park next Thursday night, Nov. 14.

A special invitation is extended to women interested in gardening and the beautification of homes. Federated Clubs over the state have endorsed the lecture of Dr. Wheeler and asks members to attend the lecture.

The lecture is free, the Texas State Parks Board bringing Dr. Wheeler here for this special lecture.

## Colp Is Relieved as Chairman of Texas State Parks Board

### Governor Allred Appoints Brownwood Man—New Inspector Arrives at Palo Duro

D. E. Colp will retire as chairman of the Texas State Parks Board. Wendell W. Mayes of Brownwood has been appointed by Governor Allred to succeed Mr. Colp, who has served in this capacity for 11 years.

The people of Canyon are greatly interested in the change owing to the great interest which Mr. Colp has taken in the Palo Duro Park. For more than 20 years he has advocated the establishment of such a park in the Palo Duro, and when CCC started in 1933 succeeded in putting over the deal which made the park possible.

It has not been announced from Austin whether Mr. Colp is severing his connections with the Parks Board.

J. E. Kell of Santa Fe arrived Sunday to relieve Francis Gott as inspector for the National Parks Service. He will devote all of his time to the Palo Duro and the park at Lubbock. Mr. Gott will continue with the Hereford Park and his various parks in New Mexico. A CCC company was moved into Hereford Saturday and will probably complete the work on that Park.

George Nason, state inspector, was here Sunday. He accompanied Fred Alcott and J. E. Simmons of Oklahoma City, both in the office of Regional Director Herbert Maier.

Approval was brought by Mr. Kell of 15 work projects on the Palo Duro, and he was instructed by Mr. Maier to rush through the plans which are being made for the various phases of development at the Park.

A larger crowd visited the Park last week, 155 entering the Palo Duro. The fine fall weather has been attracting many citizens of the Plains to visit this play ground.

### MARRIAGE LICENSE

George Allen and Mrs. Athlie Billingsley, Oct. 30.

Owen Miller and Miss Marie Price, Nov. 2.

Robert E. Adams and Miss Lee Cunningham, Nov. 2.

Louis L. Mills and Miss Louise Diffee, Nov. 2.

R. F. Thomsen, Jr., and Miss Lois Wayne Roark, Nov. 3.

Thelma Porter of Conlen and Ed McMinn of Kirkland here for Homecoming Saturday, were guests of Mr. and Mrs. J. S. Harrison.

## *Reports on Post Office Finished Visiting Officials*

Data concerning the location of the new postoffice building has been forwarded to Washington by the construction engineer and the consulting architect, both of whom visited here last week making preliminary surveys regarding the building.

C. C. Holloway, engineer, sent to Washington several samples of the soil on the location which has been selected. These samples will determine the foundation necessary for the building. These samples were taken at several depths from a hole dug on the lot.

B. E. Giesecke, architect, compiled all data regarding the utilities of the city, and made recommendations regarding the type of construction which would be followed in order to fit in with the improvements of the city. While not informed as to the size of the building which would be erected, Mr. Giesecke believed the usual type of postoffice building would be followed, in which case the architects in Washington have many blue prints ready to call for bids on a building at an early date.

Mrs. Ruth Costley, owner of the lot, authorized the two men to make such investigation as they chose, although she has not been paid for the location by the treasury department. She has been notified of the acceptance of her bid by the treasury department.

## Freeze Monday-Tuesday Is First For This Season

### No Killing Frost Come Before the Freeze of Two Mornings; Temperature Rises

The first freeze of the season hit Canyon Monday morning when the mercury stood at 32 degrees. Tuesday morning was the coldest of the week when the thermometer stood at 22 degrees above zero.

This is the coldest weather which has hit the Plains, and the first general killing frost or freeze that has visited the section. Until Sunday, flowers continued to bloom on the lawns, and most of the leaves remained on the trees. The temperature Sunday was 86 above.

The temperature moderated yesterday.

This is the first fall in a number of years when a killing frost has not preceded a general freeze by several days.

## Armistice Will Be Observed By the Palo Duro Post

### Friday, Sunday and Monday Programs Are Announced For Local Ex-service Men

The Palo Duro Post of the American Legion will start the annual Armistice program Friday afternoon when a chapel program will be conducted at the high school. J. B. Fowler will talk to the public school children on the American Flag. Other members of the Post will assist in the program.

Sunday morning an Armistice Day service will be conducted at the First Christian Church. Rev. Stuart Marsh will preach in keeping with the spirit of the day. All ex-service men in Randall county are cordially invited to join the Legion members in this service. All are requested to be at the church at 10:50 and the group will occupy reserved seats in the auditorium.

Monday morning at 10:00 o'clock the Legion members are sponsoring the Hereford-Eagles football game. The game will be played at the Buffalo Stadium. While Hereford is favored to win the game, the Eagles will put everything they have into the contest, and wish the backing of all citizens of Canyon.

At 12:00 o'clock Monday noon, a basket dinner will be served at the Legion Hall for the members and the Auxiliary. All members and their families are invited to this gathering.

Grocers of Canyon voted yesterday to remain closed all day Monday to observe Armistice Day. Other stores have taken no definite action.

The Legion is not asking that business houses close on Monday, but it is generally believed that most of the business firms will observe the day.

## Relief Office and Tool Houses Broken Into Sunday Nite

The local relief office and four tool houses of the Santa Fe were broken into Sunday night.

Nothing was missing from the tool houses. The tools were carefully checked to see if any were missing.

At the relief office a little change, some stamps and feed were taken. Officers have been checking the buildings entered, but find no clues.

Help Keep Canyon Clean!

### "SHINE ON, HARVEST MOON"

## *New Pastor Is Here*

REV. EARL L. CRAIG

Rev. Earl L. Craig has moved to Canyon to serve the Church of Christ as its minister. Rev. Craig is a graduate of Abilene Christian College and has been preaching for about eight years. He preached for the church at Hillsboro, more than three years before coming to Canyon, and has served the church at Chillicothe, Seymour and Albany, and Elk City, Okla.

In addition to being a preacher of the gospel, Rev. Craig has had much experience as a singer of the gospel. He has directed the singing all over Texas and in Oklahoma for several outstanding evangelists in the Church of Christ. He sang on the quartet in Abilene Christian College the four years he attended school there.

Mrs. Craig is also a graduate of Abilene Christian College and is a great help to him in his work with the church. The public is cordially invited to attend the services at the Church of Christ. You will always be welcome.

## Engineer Office Moved Yesterday Amarillo Office

### Work on Widening Highway 9 Remains Uncertain Until Washington Acts on WPA

The engineering office of the State Highway Department in Canyon was closed yesterday and moved to Amarillo. W. C. Cotton, Jr., and J. D. Gamble, Jr., were transferred to the district office at Amarillo, pending development of of plans for construction in Randall county. Other members of the local force were transferred two weeks ago.

Mr. Cotton stated that District Engineer J. W. Van London was hopeful of getting started on the work of widening highway No. 9. Caliche base has been laid for this widening practically all of the way through Canyon, but no topping has been run on this extension.

Announcement was made several weeks ago that the Highway Department hoped to spend about $300,000 in widening the pavement from Dreamland Cemetery north to Canyon and on to Amarillo. This program has not started owing to the inability of the Highway Department to secure funds from WPA for work on the designated highways. Much of the work on these plans has already been completed by the engineers.

Mr. Cotton states there are several contracts let in this section which are needing engineers, and the two men will be assigned to these jobs. Neither will move to Amairllo until it has been determined as to how long it will be necessary for them to remain there.

## Will Move Cafe to Harrell Building, North Side

Carl Hair has leased the building on the north side owned by Mrs. Ed Harrell and will move his cafe to this location in a few days. The Blue Goose Cafe closed Sunday night.

Mr. Hair is owner of the Palace Cafe which he has run in connection with the Palace Hotel for several years.

Mrs. W. D. Mateer spent the week end here with her husband. She is teaching at Channing.

## HUGH JOHNSON OPPOSED BOTH MAJOR PARTIES

### Believes President is Only Hope of the Nation But Is Led Astray By His Advisors

### FLAYS REPUBLICANS

### Homecoming Speaker at W. T. Expresses Harsh Criticism of the Cabinet Members

General Hugh Johnson entertained a large group of Homecoming visitors Saturday morning at W. T. with sarcastic thrusts at the do-nothing policy of the Republicans and the over doing policy of the Democrats. Throughout his talk the General professed great admiration for President Roosevelt but criticised all of those who were carrying out the President's program.

The former NRA chief set up his own program for recovery, which he claimed to be the original Roosevelt platform, from which the administration has been lead widely astray by the inefficient advisors of the President.

Although he rapped the New Deal severely, Johnson maintained, "I still take the New Deal over the Old Deal."

His hardest criticism was directed against wastefulness in relief work projects. The AAA, the WPA, and the PWA received the general's merciless condemnation. He charged the AAA with failure to maintain foreign markets "by selling surplus for what it will bring abroad instead of piling it up to overhang the market."

In addition he accused the AAA of "giving permanently to other countries our farm markets in the world. A continuation of this indefensible policy will bring such ruin as might frustrate the whole New Deal."

**Raps PWA and WPA**

Refering to the PWA and the WPA, he said:

"This country cannot afford and does not need the vast and multiplied costs involved in the fantasies of WPA and the torpor of PWA to relieve the distress of the unemployed. It is doing nothing whatever toward the permanent solution of the absolutely necessary task of providing employment and it threatens the credit and fiscal soundness of the country."

"We promised to see that nobody is going to starve in this country, but we didn't promise to

## *Golf Tournament Is Opened to Players Of This Section*

Interest in the City Golf Tournament to be held Nov. 10, 11, and 17th, at the Canyon Country Club, is increasing daily. Twenty players have paid their registration fees, and are ready for the start. All those intending to enter should do so at once, and pay their registration fee to some member of the Tournament Committee before Saturday night. W. L. Smith, A. L. Walsh and O. W. Gano, are the committee and announce the course in excellent condition for play.

Should enough of the women players show a willingness to play in the tournament, the committee will set aside some of the prizes for their flight.

The merchants and business men have been very generous in responding to the solicitation for prizes. The following firms and individuals are offering prizes: Buffalo Food Store, Scott Service Station, Canyon Motor Co., Bishir Auto Shop, Black Auto Shop, Farlow Electric, Peoples Store, Bellah Food Store, Canyon Hardware, City Pharmacy, G. G. Foster, A. B. Duncan, B. B. Cluck, H. O. Price, Palace Cafe, Key Plumbing Co, Canyon Bakery, J. S. Cleland, Drs. Brown & Miller, M System, Gamble & Cheatham, J. J. Walker Drug, Thompson Hardware Co., Jarrett Drug, Green Grocery, Hartman Jeweler, Warwick Printing Co., City Market, West Texas Gas Co., Consumers Service Station, College Oasis, Buffalo Drug, Warren Johnson, O. W. Gano, McCarty Bros., E. Burroughs, Texas Utilities Co., Rusk & Frazee, Mickle Barber Shop, Canyon Grocery, K Service Station, and Robert Black.

Mr. and Mrs. Ed F. Pilley of Morton were week end guests of Mr. and Mrs. Lige Frieze.

### THE GENERAL SPEAKS

General Hugh Johnson came to town Saturday, spoke his mind and left with fewer friends than he had before coming.

The General's appearance was a disappointment, both as to his drawing powers as a crowd getter, and in the forcefulness and logic of his address. With the exception of occasional bursts of oratory, his talk contained nothing new or enlightening.

The News was greatly interested in two phases of his appearance: First the remarks on the street before his talk; and secondly, the effort of his speech on the crowd.

Scores of men in Canyon openly said they were not interested in wasting time on a fellow who had nothing to offer but criticism, hence they would not go to hear him. The size of his audience reflected this thought.

A large part of those who did go, wondered why such a forceful national character should sink to such childish criticism while offering so little constructive aids or suggestions.

The General vigorously disclaimed any political ambitions. He need not have wasted this time and effort, since neither the Democrats or Republicans would hardly accept a man of his type.

While professing complete loyalty to President Roosevelt and claiming that the President would be re-elected, yet all of the acts of the Roosevelt administration were flayed, excepting, of course those with which the General had been closely affiliated. NRA was praised many, many times as the one and probably only successful act of the administration. Yet, the General failed to point out the bungling of this job for which he was responsible, which caused the Supreme Court to decide that NRA was unconstitutional.

In answer to what he would have done if he were President, he safely retreated to the original Roosevelt platform, which he claims a part in making, as the safe and sane method of saving the nation. No doubt the President has thought many, many times of those stirring days of 1932 while he was making promises to the nation as to the way out of the depression. No doubt he has been sick at heart as he saw plan after plan fall under the weight of the most tragic depression in the world's history. As one plan failed, the President stood ready to attempt another. Had not the President been alert to "shoot the works" during these trying days, the General would not be praising him as a personality as he is today, but would have placed him in the Hoover class of doing nothing.

Those who expected a rip roaring, fire eating, hell raising rant and tear, listened to a somewhat academic discourse on principles which had failed, as every one knew they had failed, but very little consolation from one who claims much wisdom as to how things should be done and hardly a suggestion as to the way of doing them.

Every one knows what this nation has been through; what it is going through today; knows that a lot of weak men are attempting to put into effect the high and laudable program of the President; that these men have pet theories as to how the President's plans may be improved; but like the General they are most indefinite in the method of execution.

We are glad to have met the General, to have heard him speak, but are truly disappointed in him as a statesman.

### MR. GULEKE'S RESOLUTION

Floydada Hesperian: Mr. J. O. Guleke, an erudite attorney of Amarillo, who also happens to be on the State Board of Education, introduced a resolution in one of the board's recent meetings by which he called attention to the encroachment of the federal government in the educational affairs of the states. By offering baits of matched funds and similar devices his resolution pointed out the federal government is beginning to dominate the educational system of the country.

While Mr. Guleke's logic may be sound enough, he will find little sympathy out in the country, where local schools are finding their affairs taken in hand by agencies at Austin, to be exact by the State Superintendent of Public Instruction and the State Board of Education. Several schools in Floyd County are making a last stand against this encroachment, while others have given in to the inducement of matched funds, state aid and similar devices. Perhaps it is all for the best is the gesture of resignation by most of the school boards.

But if Mr. Guleke thinks the schools cannot be run competently out of Washington, by what reasoning does he and his conferees arrive at the conclusion they can do the job better out of Austin? The fact is that since local self-government has been taken out of school districts, the logical development is for it to go to Washington eventually. Why not now?

---

If a stock peddler attempts to sell you any sort of stock, demand that he show his registration papers from the Secretary of State. If he has secured such papers, it is evidence that the stock he sells has been investigated by the state. The stock swindler will not seek such registration. Texas people have been swindled out of millions of dollars by peddlers of worthless stock. Those who buy this stuff in the future have no one to blame but themselves. The state is attempting to get rid of the swindlers, but every citizen must aid.

---

The Literary Digest has started another national poll on President Roosevelt and the New Deal. 10,000,000 ballots are being distributed over the nation which read: "Do you NOW approve the acts and policies of the Roosevelt New Deal to date?" Yes; No. "For whom did you vote for President in 1932?" Hoover, Roosevelt, Thomas. The Digest has conducted several national polls, with every election being indicated by the results of these polls.

---

Soaking the rich has lost President Roosevelt some good personal friends and political advisers; California will lose a lot of substantial citizens as a result of the new tax bill. Most people are willing to pay a fair and equitable tax, but not many are willing to stand up and be the goat while the powers that be boast of pouring it on.

---

Erecting a memorial for Will Rogers is a worthy undertaking. No man in this nation has caused so many good laughs. Back of all his mirth, there was an understanding of human nature seldom seen in this nation. The best the nation can do in his memory is a very small token of the esteem in which Will Rogers is held by millions of citizens.

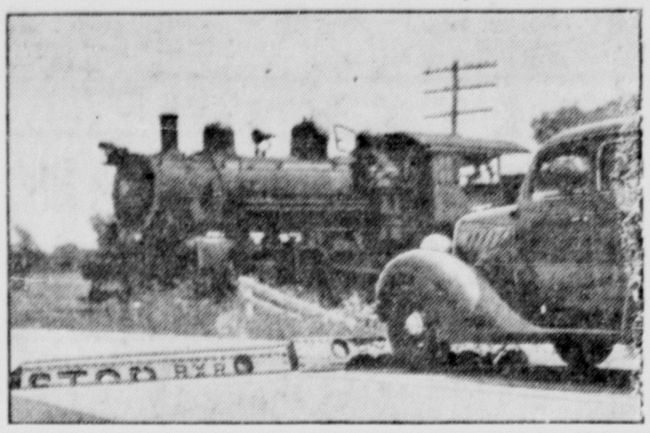
## Steel Curb Is New Safety Device



When a train approaches a dangerous grade crossing near Des Moines, Ia., a steel barrier, studded with red reflector buttons and "stop" warnings, rises out of the pavement to halt oncoming autos. If a motorist fails to heed its visible and audible warnings, the triangular "curb," rising to a height of 10 inches, forcibly stops the car.

### Second Centennial Art Exhibit To Be Here In December

The second display in the series of the Pre-Centennial art exhibits in Pioneer Hall is the water color collection done by the late Boyer Gonzales, a native of Houston. The exhibit is a memorial, and will be here in December.

"I am delighted with the response received from all requests of Texas artists for the use of their works in our exhibits," said Miss Isabel Robinson, instructor in the art department. "They all seemed more glad to lend their exhibits for display in the new and modern gallery, in Pioneer Hall.

# N. M. M. I. Broncs Will Invade Buffaloes' Corral Saturday

## Game Will Be Slug-fest From Whistle to Whistle

The Broncos of New Mexico Military Institute will gallop into the Buffalo corral Saturday afternoon, Nov. 9, to resume a grid war that has existed between the two schools for a number of years.

In past years this event was one of the most exciting games on the schedule so far as the Buffs were concerned, and although interest has sagged for the last year or two, this game will be a slug-fest from whistle to whistle.

The Institute has been the victim of several set-ups this season; having lost to New Mexico University as well as several other leading clubs of the New Mexico circuit.

The West Texas coaches fully realize the spirit that prevails in a military school, and they know that the galloping steeds of Captain Brown will be hard to send home with a defeat hanging from their manes.

The Institute will depend upon Honocheck, sent down from Temple by Pop Warner for more seasoning, to tear the Buffs' forward wall to pieces. It has a boy named Miller from Clovis high school that will be hard to stop on end runs. The N. M. M. I. line is a well balanced unit from end to end.

Coach Baggett is expecting a hard game from the Roswell boys. He knows that the Institute considers a victory from the Buffs a successful season, and he will spare no end to send them home "sadder but wiser."

## College Broadcast Given Over KGNC Friday Evening

Several members of the W. T. faculty, headed by Dr. J. A. Hill and accompanied by the W. T. band, broadcasted from station KGNC in Amarillo Friday evening, from 8 to 8:30.

Dr. Hill opened the program with an address welcoming ex-students to the annual W. T. homecoming Saturday. He made announcements as to the program, and urged that everyone be present to hear Gen. Hugh S. Johnson, former head of the NRA.

At the close of Dr. Hill's address the band played the "National Emblem March."

L. F. Sheffy, head of the history department, offered a western welcome to all ex-students and friends of the college.

After the selection "American Cadet" by the band, D. A. Shirley, chairman of the athletic commission of W. T., briefly mentioned a number of the former W. T. football stars who had laid the foundations for the present football club.

The band played the march "Little Giant," and Coach Al Baggett briefly outlined the Buffalo team which was to meet the St. Benedict's Ravens.

Larry "Moon" Mullins, coach of the Ravens, was introduced after two numbers by the band. He expressed sincere appreciation for the warm welcome accorded the Ravens by W. T. He gave the lineup of the team, and the assurance of an excellent game.

The program was closed with the march "W. M. B," by Hall.

## Sunny Hill News

A large group attended the Hallowe'en party at the Sunny Hill school house.

Mr. and Mrs. T. G. Knox and family visited relatives at Wayside Sunday.

Mr. and Mrs. George Cope spent Sunday with Mr. and Mrs. Homer Bryan in the Fairview community.

Mrs. Glenn Burnett and children, Bobby Tibb, Joardis and Linda Beth of Benjamin and Mrs. Ernest Jones of Tascosa were guests of their sister, Miss Roberta Campbell at the teacherage last week. Bobby Tibb celebrated his sixth birthday with the children at school Thursday afternoon.

Mr. and Mrs. George Schaeffer were in Amarillo Sunday.

Mrs. Nettie Umphrey suffered a painful accident last week when she got a piece of fodder in her eye. She had it removed Sunday.

Mr. and Mrs. Carroll Bray and J. C. spent the week end with Mrs. Bray's parents at Slaton.

Marvelle and Velma Buchanan of Happy spent the week end with Mr. and Mrs. J. B. Knox and enjoyed the party at the school house Friday night.

Loraine and Glenn Miller were guests of Helen and Clinton Miller Sunday.

From the number of accidents being reported over the country, it would seem proper nowadays to open the hunting season with prayer.

We wouldn't be surprised if, even after the meek inherit the earth, they'll still have to call on their wives to help them run it.

Mrs. R. O. Johns was hostess to the Priscilla Club members at her home yesterday afternoon. Her home was beautifully decorated with fall flowers and chrysanthemums.

At the tea hour a tasty plate lunch consisting of creamed chicken in timble cases, hot denver biscuits, bread and butter pickles, cranberry jelly, plum pudding and whipped cream and coffee, was served.

Those present were Mrs. Alfred Bellah, Mrs. R. E. Ball, Mrs. J. Madison Daugherty, Mrs. J. L. Duflot, Mrs A K. Goodman, Mrs. Frank Hicks, Mrs. Mitchell Jones, Mrs. Ray McReynolds, Mrs. C. M. Presley, Mrs. J. J. Walker, and Mrs. Harry Wood

### ROWENA LOCKWOOD AND DAVIS FANSLER WED

Mr. and Mrs. F. L. Lockwood of Amarillo announce the marriage of their daughter, Miss Rowena Lockwood to Mr. David Fansler on Saturday, Oct. 26. Rev. Holcolm of the First Baptist Church officiated at the beautiful ring ceremony.

The bride wore a squadron blue crepe dress with blue accessories and carried a bouquet of white carnations and lilies of the valley. The only attendants were Mrs. Ernest O'Donald and Max Fansler, sister and brother of the bridal piar.

Mrs. Fansler is a graduate of the Canyon High School, having finished with the class of 1935.

Mr. Fansler is the son of Mr. and Mrs. D. F. Fansler of Amarillo. Mr. and Mrs. Fansler will make their home near Amarillo.

### RANDALL HALL GIVES PRE-CENTENNIAL PARTY

Randall Hall was the setting of a Texas Pre-Centennial party Tuesday evening when two hundred guests assembled for dancing, bridge, forty-two, and dominoes.

Small silk flags were given to each guest as favors. Music was furnished by Brown's Collegians, assisted by Bob Daugherty, from Pampa.

Flags, intricate designs of crepe paper and colored lights carried out the Pre-Centennial motif. Iced punch was served to the guests.

### A. A. U. W.'s MEET AT KERR HOUSE MONDAY

Misses Anna I. Hibbets, Mattie Jordan, Ada V. Clark, Jewel Foster, Ima Barlow, and Mrs. Laura Saunders, hostesses, welcomed Canyon A. A. U. W.'s to the Kerr house for their first program meeting of the year Monday evening, November 4th.

Autumn shades of red, yellow, and orange were pleasing in flower arrangements and refreshment accessories. Cheese and olive canapes were served with hot spiced punch during the social hour.

A special feature of the business session was the report given by Miss M. Moss Richardson of the National Convention in Los Angeles, together with projects formulated for the year. Miss Richardson took this occasion to illustrate poignantly one of Texas' own social problems. Gatesville reformatory, she said, has one hundred boys six and seven years old treated as criminals because there is no other home available to them.

Miss Darthula Walker described The Forum held in New York City by the New York Herald-Tribune at which she was a guest and where such speakers as Norman Davis, Ogden Mills, Eleanor Roosevelt, and John Erskine; foreign representatives to England, France, New Zealand, and Belgium conducted a varied program on the general subject of "America Faces a Changing World."

Upon discussion of projects, the group voted to continue magazine distribution to rural schools.

At the conclusion of the session members extended good wishes to President Geraldine Green who leaves soon to study at Columbia University.

Miss Edna Graham invited the group to hold its next meeting in her home at 502 Twentieth Street, Monday evening, December 2nd.

### MRS. BALL AND BARKER ENTERTAIN THURSDAY

Last Thursday morning, October 31, Mrs. J. D. Barker and Mrs. R. E. Ball entertained with five tables of bridge at the home of Mrs. Ball. Fall daisies, asters, dahlias, and chrysanthemums were used in decoration.

At the luncheon hour chicken salad sandwiches and gherkins, grape salad, ice-box cookies, coffee and orange and black mints were served.

Mrs. Carl Scott received high score prize and consolation went to Mrs. J. B. Pope.

The guest list included Mrs. N. E. McIntire, Mrs. J. J. Walker, Mrs. L. F. Sheffy, Mrs. Hud Prichard, Mrs. T. H. Knighton, Mrs. Glen Dowlen, Mrs. Irby Carruth, Mrs. Harris M. Cook, Mrs. W. C. Cotten, Mrs. Robert W. Foster, Mrs. Burt Newlin, Mrs. C. R. Burrow, Mrs J. B. Pope, Mrs. Robert Barnett, Mrs. Clyde McElroy, Mrs. R. A. Neblett, Mrs Charles Dickey, Mrs. George Nance, Mrs. Jim Rose, Mrs. Carl Scott, Mrs. Lee Foster, Mrs. Earl Robbins, Mrs. K. E. Frieze, Mrs. Millard Word, Mrs. W. A. Warren, Mrs. Allen Farlow, Mrs. C. M. Dowlen, Mrs. E. M. Liddle, Mrs E. J. Cundiff, Mrs. Guy Harp, Mrs. J. S. Humphreys, Mrs. J. W. Kleinschmidt, Mrs. Dan Sanders, and Mrs. Roscoe Davis.

### HALLOWE'EN PARTY FOR CLUB GUESTS

Ghosts and goblins with their groans and screams reigned supreme when members of the West Side Home Demonstration Club who have birthdays during the first half of the year were hostesses with a Hallowe'en party for the other members and their husbands last Thursday evening at the home of Mr. and Mrs. C. L. Gordon-Cummings.

Fortune telling by a witch, mind reading and various stunts and contests made up the evening's entertainment.

Hallowe'en colors and suggestions were featured in the decorations and in the refreshment plate of pumpkin pie with whipped cream, black and yellow mints and coffee. A large, decorated birthday cake graced the center of the dining table. At a late hour the cake was cut and served and the symbols found in the slices caused much merriment.

The guest list included nearly all of the West Side Club with their families.

### COLLEGE DAMES MEET AT REST COTTAGE FRIDAY

College Dames met at Rest Cottage Friday afternoon with Miss M. Moss Richardson. Busy fingers worked toward ipecing a quilt, while tongues chatted sociably until Miss Jennie C. Ritchie told the group many exciting events and experiences that she enjoyed while on a trip around the world this summer.

The club will meet the first Friday in December at Cousins Hall with Miss Florence McMurtry. All women who are living in Canyon in order to send their children to school are cordially invited to attend.

### ELABORATE PARTY FOR BUSINESS WOMEN

The annual party of the Business Women's Club was held last Thursday evening at the home of Mrs. Earl Robbins, 2000 Sixth Avenue with a buffet dinner and bridge for its members and their guests.

Many vases and baskets of marigolds and other fall flowers made up the floral arrangements. The Halloween spirit was carried out in the table decorations, place cards and tallies.

The dining table with its beautiful lace cover over an orange spread was centered with a pirate ship at sea upon a large mirror. This was surrounded by black tapers, thus creating a beautiful effect, as the guests served themselves for dinner. The small tables were centered with lighted orange tapers in black holders.

After dinner, bridge was played throughout the remainder of the evening at eleven tables. First and second prizes were won by Mrs. Lee Foster and Mrs. Donald Trolinger; James Cole and Irby Carruth, respectively.

Members and guests seated were: Mr. and Mrs. W. A. Warren, Mr. and Mrs. J. J. Walker, Mrs. N. E. McIntire, Mrs. J. D. Barker, Mrs. Earl Robbins, Mr. and Mrs. Donald Trolinger, Mr. and Mrs. Jim Rose, Mr. and Mrs. James Cole, Mr. and Mrs. Irby Carruth, Mr. and Mrs. K. E. Frieze, Mr. and Mrs. Clyde Davis, Mr. and Mrs. Lee Foster, Mrs. Berl Mayfield.

Misses Irene Angel, Jewel Foster, Mattie Jordan, Edythe Shields, Pauline Brigham, Gladys McClanahan, Ann Smith, Orpa Dennis, Allie Dozier, Grace Clark, Fannie Sue Brasuel, Gwendolyn Black, Agnes Moore, Ruth Greenfield, Virginia Jarrett, Lenna Foster.

Messrs. L. T. Barksdale, Dr. Arlin Turner, Gerald Brown, Ercel Dunn, Julian Glenn, and Luther Fronabarger.

### MRS. CHARLIE STEEN HAS CLUB FRIDAY

The Bluebonnet Needle club met with Mrs. Charlie Steen Friday afternoon and members engaged in hand work for the diversion of the afternoon.

Mrs. Norval Dickerson was presented a gift from the Club in recognition of her birthday.

Members and guests present were Mrs. Bob Steen, Mrs. Jay Prichard, Mrs. J. L. Hefner, Mrs. W. H. Upchurch, Mrs. Geo. Small, Mrs. Winfield Miller, Mrs Fred Mye, Mrs. Aubrey Fox, Mrs. Virgil Briscoe, Mrs. Guy Cole, Mrs. Dickerson, Mrs. Levi Cole, and Mrs. I. M. Steen.

Refreshments of tapico cream jello with whipped cream and cake were served.

### TIERRA BLANCA CLUB WITH MRS. ADCOCK

The Tierra Blanca Needle Club met with Mrs. R. A. Adcock Thursday, Oct. 31. Halloween decorations were used in the rooms.

A candy demonstration was given by Mrs. F. E. Stockhaus. Names were drawn for the Christmas party to be held in December. Games were played during the remainder of the afternoon.

Pumpkin pie with whipped cream and coffee was served to Mrs. Stockhaus, Mrs. M. E. Rhodes, Mrs. Alva Raper, Mrs. H. H. Hand, Mrs. Ran Henry and Mrs. Orva Henry, a new member of the club.

### DR. HILL CELEBRATES BIRTHDAY TUESDAY

Pres. J. A. Hill celebrated his birthday Tuesday. Miss Marion Hill, his daughter, prepared a family dinner in honor of the occasion. His sons, J. Davis Hill of Amarillo, and Joe Hill, Jr., of Canyon, and their families were present.

Dr. Hill expressed delight with the gifts he received, which included a fountain pen, a cake from Mrs. Geraldine Green and daughter, Nell, a bouquet of red roses from Miss Jennie C. Ritchie, and a cake from Mrs. T. V. Reeves.

### LEGION AUXILIARY HAVE BUSINESS MEETING

Mrs. Ray Campbell, president, presided at the business meeing of the American Legion Auxiliary Monday night.

The regular routine of business was taken up by the Rebekah Lodge 350, Tuesday evening at its regular session. After Lodge adjourned, Mrs. Mary B. Weeks read the play which a group of Rebekah women are planning to give some time in the future.

Members in attendance were Mrs. Weeks, Mrs. Winnie Loudder, Mrs. Lucy Brown, Mrs. Minnie Laughery, Mrs. Dollie Taylor, Mrs. Nannie Myers, Mrs. Lillian Tate, Mrs. Teressa Patterson, Mrs. Myrtle Stratton, Mrs. Margaret Cole, Mrs. Ola Ridgeway, Mrs. Peters; Miss Maye Warren and Miss Columbia Redfearn.

# Drouth, AAA, Blamed for Bread Price Increase Facing U. S. Housewives

AGAIN the lowly loaf of bread proudly holds the spotlight as the center of nation-wide controversy.

With the price of bread increased in several large cities and forecasts of higher prices for the country generally, an ominous rumble is heard from the housewife sector.

Meanwhile, Secretary of Agriculture Henry A. Wallace and the baking industry have been wrangling over the one cent increase in the price of a loaf of bread, proposed recently.

Baking concerns contend that flour costs are up as much as $2 a barrel; that shortening prices have risen from 200 to 300 per cent; and that all other ingredients are higher in price.

They point out that this year's wheat crop will probably be 50,000,000 bushels short, which may result in jacking up still further the price of flour.

A huge share of the blame the bakers attribute to Mr. Wallace's own AAA processing taxes; also to the drouth, and that mysterious, devastating disease called "rust," which, blown on the wind, spoiled great areas of wheat throughout the nation last year.

Wallace countered with the accusation that the cost of ingredients, in recent months, has increased only about ½ cent a loaf; furthermore, he contends the bakers themselves have asserted that operating expenses, not the cost of ingredients, form the largest item in the retail price of bread.

According to the secretary, the proposed one cent increase would cost consuming (and fuming) housewives about 300 million dollars a year, and bring to millers a profit of about half that amount.

• • •

In a hearing held to justify the one cent price increase, it was decided that the variety of factors involved—i. e., baking formulas and local conditions—make it very difficult to estimate relative costs.

However, the U. S. Bureau of Agricultural Economics offers statistics which reveal that the cost of materials for a loaf of bread has more than doubled since 1933, whether or not this justifies a price increase now. Here's the table:

**A Department of Agriculture bread expert is pictured above studying loaves made from various grades of American wheat. The proportion of materials that go to make up an average loaf of bread is indicated below. Since 1933 the price of flour in a loaf of bread has risen 1.61 cent; milk, .05 cent; lard substitute, .22 cent; and malt, .02 cent, statistics reveal.**

| | Feb., 1933 Cents | Oct., 1935 Cents |
|---|---|---|
| Flour | 1.19 | 2.80 |
| Yeast | .25 | .25 |
| Sugar | .08 | .08 |
| Malt | .05 | .07 |
| Lard substitute | .11 | .33 |
| Salt | .01 | .01 |
| Dried milk | .15 | .20 |
| Total cost of raw materials | 1.84 | 3.74 |
| Average retail price per loaf | 6.40 | 8.40 |

This table, of course, does not include labor and delivery costs. Since these vary in different parts of the country, it is virtually impossible to arrive at a figure which represents accurately the average cost of getting a loaf of bread to the consumer.

However, a Senate committee report of 1931, when the retail price of a loaf was 8.7 cents, gives in these estimates an approximate idea:

| | Cents | Per cent |
|---|---|---|
| Flour | 1.92 | 22 |
| Other ingredients | .74 | 8½ |
| Labor | .55 | 6 |
| Other manufacturing and overhead | 1.65 | 19 |
| Distribution and advertising | 2.09 | 24 |
| Wholesale profit | .83 | 10 |
| Wholesale cost | 7.78 | |
| Retail profit | .92 | 10½ |
| Average retail price | 8.70 | 100 |

Among its findings, the 1931 committee reported that: large bakeries did not pass on to the consumer a decrease in the price of wheat, even though white flour prices generally reflected that decrease; the bread retailer usually obtained a one cent profit per loaf; and there was a distinct trend toward monopoly in control of the bread-baking industry.

### MISS LELA VAUGHN GIVES KERR DEMONSTRATION

"We do not can for fancy pack, but we do can for attractiveness. At the end of the season the most unattractive jars are the ones that are left on the shelves." This point was stressed by Miss Lela M. Vaughn, Educational demonstrator for the Kerr Glass Co. in her canning demonstration given at the home of Mrs. M. H. Rockwell, Tuesday, Nov. 5.

Tea and wafers were served to the group of women representing the home demonstration clubs of the county.

Those present were: Mrs. Irvin Mitchell, Mrs. Bailie McCormick, Mrs. H. B. Hales, Mrs. Herman Bothe, Mrs. H. R. Fulton, Mrs. Emma Gruner, Mrs. Glen Dowlen, Mrs. Roger Gist, Mrs. Eula Watson, Mrs. E. ## Former Teacher at W. T. Visited Here Views Palo Duro

Georgia O'Keefe, America's foremost woman artist, was a visitor in Canyon Wednesday. Miss O'Keefe will be remembered here by many people, as she was a member of the college faculty from 1916 to 1919, going from Canyon direct to New York City where her work quickly gained recognition.

Miss O'Keefe was especially interested in the Panhandle-Plains Historical Society museum and insisted that time be given her to make a brief visit to Palo Duro State Park. She had painted many scenes in the canyon during the time that she lived here.

Accompanying Miss O'Keefe were Dorothy Brent, a distinguished English artist and author who has a home near Taos, N. M., and Loren Mozley, a young artist who is a native of Taos and who is now engaged in painting murals in the court house at Gallup, N. M.

Miss O'Keefe spends several months of the year at Taos and other parts of the year at Lake George, New York and maintains her studio in New York City during the winter months. In private life she is Mrs. Alfred Stiegletz. Mr. Stiegletz is considered America's foremost artist-photographer.

## Hobbies of Club Members Discussed at Rotary Luncheon

Hobbies of the various members of the Canyon Rotary Club were discussed Tuesday by Bill Smith and Rev. Chas. L. Dickey. Mr. Smith discussed the meaning of a hobby and how it affected different men. The need of a hobby, or some interest aside from a regular vocation was stressed.

To bring the matter of hobbies closer home, Mr. Dickey called upon various members to tell their hobby.

Albert E. Terry, Jr., entertained the club with guitar numbers, songs and tap dances. He was accompanied by Mrs. Lee Foster.

The club named a committee composed of Doug Shirley, Joe Hill and Clarence Thompson to assist in the campaign for the Will Rogers Memorial.

President Irby Carruth announced that the club now has forty members, all of whom were present Tuesday.

Guests present were: H. W. Galbraith and O. W. Wright, Amarillo; Mrs. Foster and Albert E. Terry, Jr.

## Poppies To Be On Sale Saturday By Legion Auxiliary

Each year at Armistice time the ladies of the American Legion Auxiliary sell poppies. Saturday of this week the ladies will be on the streets with their baskets and boxes of poppies offering them for sale. In order that every one may know why the Auxiliaries over the state have Poppy days the following item is printed:

First, because of the great amount of good which is accomplished by giving the disabled veterans the chance to make them. Having the poppies made by disabled men is one of the largest pieces of welfare work done by the Legion Auxiliary. What could be better than helping a man keep his self respect by earning a little money in this way?

Second, the profits from the poppy sale this year will be divided as follows: to the Child Welfare Fund, Rehabilitation Fund and to the Student Loan Fund. Poppy Day is the one day the public is privileged to contribute toward these worthy causes.

Third, always in our hearts is a feeling of reverence for those who did not come back. And on Armistice Day we demonstrate this feeling by wearing the blood red poppy.

The poppies to be sold in Canyon Saturday by the Palo Duro Unit are made by the disabled veterans in the Legion Hospital, Legion, Texas, from materials purchased by the American Legion Auxiliary Department of Texas. After sterilization, packing and sealing, the poppies are sold to the Units over Texas. In May, 1929, the first poppies were made by the patients in the U. S. Veterans' Hospital at Legion, and since that time the hearty co-operation of the Units and Posts over the State has enabled the patients to earn many dollars to contribute toward the support of their families.

In reverence and understanding, wear a poppy, the memorial flower of the American Legion and the American Legion Auxiliary.

## Ralph News

There were fifty-two present for Sunday school Sunday and several others came for the eleven o'clock services, but were too late for Sunday School. Next Sunday we hope everybody can be there at 10 o'clock sharp for the Sunday School. We missed the members who were not present and we hope you will be with us Sunday. We were glad to have Mr. and Mrs. Earl Burtz and children and also Mrs. Orva Henry to join our Sunday School, and we hope there will still be more new members.

We were glad to have Bro. Thomas and wife, also Miss Grace Ruse, all of Amairllo, with us. We hope they all may be with us again. Also we were glad to have H. I. Hill of Pampa visit us.

Mrs. W. C. Hill and children were dinner guests Sunday in the R. A. Adcock home.

Several from this community attended the singing at the Tierra Blanca school house Sunday afternoon.

Mr. and Mrs. H. I. Hill and son Avery Merle, of Pampa were week end guests in the parental D. S. Hill home.

Bowen Cox spent Saturday night in the parental G. R. Cox home.

We regret that D. S. Hill had the misfortune of falling off a wagon load of feed on his head and hurting his foot. We wish him a speedy recovery.

Mr. and Mrs. B. D. Springer accompanied their daughter to Lubbock Sunday where she is enrolled in a business college.

## A Contrast in War Chieftains

Symbolizing the stark contrast of primitive savagery and modern warfare, as tribesmen and Italians drew toward each other for a great clash in central Ethiopia, are these scenes from the front. EX-STUDENT EDITION

# THE EAGLE'S TALE

EX-STUDENT EDITION

VOL. NO. 10. CANYON, TEXAS, NOVEMBER 7, 1935. NUMBER 9

Welcome Exes! Boy I shore will be glad to see you all come back to good ole C. H. S. fer a visit an a big feed an a ballgame. Sum uf ye are already married and some got kids, an sum uf ye are still a tryin to git married. Anyway there'll shore be a hot time in th ole town tomorrow nite.

I betcha a bunch o th boys hes been wonderin whats been goin on in th cookin part o high school. Well sir, Mis Brasuel has charge o thet, an she schore can cook too. She is jus about as well employed as any teacher, cause she has hall duty, typing, three homemaking classes, an she helps kids from three to four o'clock too. She sponsors the Homemaking Club thet meets ever other Tuesday nite.

Th Eagles shore got ther ears whipped down last Friday, an th Whitefaces say they're goin to do th same thing Armistice, but th Eagles says it ain't goin to be so easy as they think.

It happened finally! I've been expecting it so long it kinda knocked me offa my feet when it finally did happen. I forgot to tell you who I was talking about, but I supposed you knew the latest—Marie Price and Owen Miller were married Saturday nite. This is one time you can't say either of them married for money, 'cause both of them hev good jobs. By the way—Owen got through sowing his wild oats before any other boy in the 1934 class of seniors. Well, now that he's married and settled down, it just tickles me to death to offer congratulations and add, "You certainly were lucky to get her, Owen" and to Marie, "You get all the breaks."

Speaking of goin places and doin things—Look at Arthur Chambers.

"He's in the army now—

He's not behind the plow"—Yep, sure 'nuf. In fact he's in Angel Island, California waiting to go to the Hawaiin Islands—and speakin of luck—I can't forget thet Hawaii is where those Hula Hula girl's live.

But boys aren't the only ones thet desire adventures—Geneva Lowe—(better known as Coach's girl) an ex-student of several years ago is goin to South America to teach school. I'm worrying about Coach though maybe the school board will raise his salary, so he can afford stamps.

### WELCOME, EXES, WELCOME

Welcome, Exes, Welcome, is the hearty feeling of every member of the faculty and every student in Canyon High School for this annual event, homecoming.

The eyes of the students of Canyon High School will be focused on exes from Nov. 8th to 11th.

Exes will gather at the different homecoming events—banquet, football games, and elsewhere to tell their favorite school happenings and stories. The halls of Canyon High will ring with voices both young and old, which will make a happy and joyous echo that will long be remembered in the memories of those that attend.

There are many students that graduate that are soon forgotten, but the alumni that come back to the school from year to year are never to be forgotten. Canyon High School has an unusual number of ex-students who always return for homecoming and who keep the interest of the school foremost in their minds.

So students of Canyon High School, let's all join in and try to give all the exes that attend this annual event during Nov. 8, 9, 10, and 11, a hearty welcome and a good time, because in a few years we will be exes coming back for this much looked toward event.

## Annual Ex-Student Banquet To Be Tomorrow Night

The sixth annual ex-student banquet will be held in the basement of the Presbyterian Church Friday night at 7 o'clock.

The Texas Centennial will be the theme carried out. Robert Black, president of the ex-students, will be toastmaster. Charles Donnell will be master of ceremonies.

The welcome will be given by Robert Black, president, the response by Ernest Archambeau, a Spanish song and dance by Albert Terry, Jr., xylophone numbers by Charlotte Alice Tubb, and a negro dance by Annie Ruth Schmitz.

## Student Council Has First Meet

The first meeting of the student council was held Tuesday afternoon after assembly. Plans for fire prevention, drills, methods of making new students feel at home, and various other important topics were discussed.

The school plans to run buses from other parts of the county this year which will bring about forty new students to the school. These students must be introduced to the ways of the school and become acquainted with the students, and the student council has taken this as a major project for the year. Fire drills are going to be started soon. Officers for these drills are to be appointed, and they will be underway in the near future.

Debating and other literary events will also be encouraged this year.

### SENIOR CLASS TAKES RING MEASUREMENTS OCT. 23

At a class meeting on Oct. 23, the seniors took measurements for their senior rings. The first order was made last Friday, and the students will receive the rings sometime before Christmas.

The ring is yellow gold with an oval ruby on a square mounting. On one shank is the picture of a fighting Eagle and 1936; on the other is the torch of knowledge and the word Canyon.

The rings are being ordered from the Star Engraving Company, Houston. Another order will be made in January.

### MRS. ALFRED BELLAH GIVES PARTY TO JUNIOR CLASS

The Junior Class was entertained by their room mother, Mrs. Alfred Bellah, at her home last Thursday night.

Games and dancing were carried on in the basement, which was decorated with lanterns, shocks of feed, autumn leaves and orange and black crepe paper.

When the guests arrived in the basement, they were entertained by an apple biting contest with the apples extending on strings from an iron pipe. About 9:30, punch and cookies were served. At 11 o'clock the guests were served chili and crackers.

## Ex-Eagles Clash In Football Game For Homecoming

The greatest event of the year will take place at Buffalo Field tomorrow at 3 o'clock when all the Ex-Eagle stars renew their football past.

The teams will be composed of ex-Eagles who were graduated between the years of 1920 to 1934.

The teams will be evenly matched and old by-gone days will be revived. Old friends will play the rough game as it was played in the rough and tough past. All of the brainmen of the past will play plus the heroes of the twenties. They are: Nig Campbell, Rusty O'Donald, Terrill Christian, Taho Lowes, Roy Tate, Roy Cheatham, Cleveland Jones, Jim Strain, Jim Upfold, Bill Downing, Red Covington. Other of the stars of that time are not able to be at Canyon at the time of the game.

**Former Stars To Play**

Then came the boys that played football within the last five years. Some of them are very good and have played on college teams as have a lot of the boys that come before them. Those boys who are expected to play are: Clarence Wooten, Hosea Foster, Tommy Elliston, Ernie Wiggins, Owen Miller, Claude Moore, "Slats" Middleton, Wilford Taylor, Tyson Cox, Truet O'Donald, J. M. Roland, Robert and Kenneth Black, Dan Gerald, Leonard, George and Alton Brasuel, Jim and Ralph Cabe, Curtis Elliston, Austin Cone, "Speck" Williams, Ogden Stroud, Joe Collins, Chris Wooten, Hampton Lisle and O. M. Solomon.

Who doesn't know or think that a team composed of brothers, friends and various exes wouldn't be a thriller. The game will be a thriller from start to finish, puffing, blowing, tired outs, jaw-breaking tackling and a rare example of teams the Alma Mater have produced in the past.

This will be a treat that no one should overlook.

An admission of 10 cents will be charged with the proceeds going to the athletic fund.

Another feature will be a pep squad made up of former rooters for the Purple and White.

## Marriages

Jennie Lee Nobles and Kenneth Burum. At home in Canyon.

Louise Wester and Ray Crowder at White Deer, Texas.

Tyson Cox, '33, and Gailen Porter at Tulia, Texas.

Ruth Frank and Ernie Hollenstein at Umbarger.

Wilma Harris and Pet Carmicheal in New Mexico.

Mary Dowlen and Glen Whitman, Happy.

Anna Frank, '32, and Clark Ash, '31, Umbarger.

Dale Bowman, '32, and Alteena Harvey.

Ola Mae Visage, '32, and Russell Bishop.

May Beth Bishop, 32, and Mr. Watson.

Dora Mae Plaster, '33, and Willard Clanton, Dallas.

Wilford Taylor, 32, and Mable Pinckert of Umbarger.

"Red" Hardin and Esther Mae Smith.

Letha Bagwell and Herbert Brown of Canyon.

### MARIE PRICE AND OWEN MILLER WED

Miss Marie Price and Owen Miller, both of Canyon, were united in marriage Saturday evening at the home of Rev. J. O. Quattlebaum. The bride was dressed in wine and black accessories.

Mrs. Miller is the daughter of Mrs. Elzie Price of Canyon.

She is a graduate of '34. She belonged to the Purple Pep Squad the three years she was in high school. She had the highest average in her class her last year, and was guard of the girls basketball team. Mrs. Miller is now employed by Marie's Beauty Shop.

Mr. Miller is the son of Mr. and Mrs. Gus Miller of Canyon. He lettered in football his first three years in high school and was captain of the team his junior year. He is at present employed by the Texas Utilities Company.

Mr. and Mrs. Miller are at home to their friends at the home of the groom's parents.

### LOCKWOOD, FANSLER RITES SPOKEN

Miss Rowena Lockwood became the bride of Mr. David Fansler in a simple but impressive wedding ceremony, at the home of the groom's parents, Mr. and Mrs. D. F. Fansler of Amarillo, at 7 p. m. October 26.

Ehe couple was attended by Mrs. E. E. O'Donald, sister of the bride, and Mr. Max Fansler, brother of the groom. Rev. Dick Holcomb of the Fundamentalist Baptist church of Amarillo performed the ring ceremony in the presence of the relatives of the bride and groom.

The bride was attired in a blue crepe dress with accessories to match and carried a bridal bouquet of white carnations.

Mrs. Fansler, daughter of Mr. and Mrs. F. L. Lockwood of Amarillo, is an ex-student of Canyon High School, graduating in the class of 1935, and her husband is an ex-student of Amarillo High school.

The couple plan to make their home near Amarillo.

## Ex-Student President

Robert Black, graduate of '33, was elected president of the Ex-students Association last fall at the ex-students banquet held at the annual Homecoming of the Canyon High School graduates. Mrs. Millard Word, formerly Charlotte Ingham, an ex-student of Canyon High School, was chosen vice president. Armor Lee Greenfield, '34, was elected secretary and treasurer.

Robert Black is attending school at W. T. where he is a junior. He is owner of the City Shine Parlor and vice president of the Ex-Eagles. Robert took part in both football and basketball during his high school days. He is a backer of the Eagles, and he never misses a game. The ex-students always depend on Robert to make a pep talk at their annual assembly program.

**Mrs. Word Is In Canyon**

Mrs. Word is living in Canyon. She has three children, two of which are attending the Canyon Public Schools. Mary Charlotte, a sophomore in high school, and Bobbie, who is in the fourth grade.

Armor Lee Greenfield is a junior at W. T. In her senior year she was president of the pep squad, and of the Spanish Club. She was also a member of the Eagle's Tale staff.

## Patriotic Program By Legion To Be Gicen In Assembly

Assembly tomorrow will be in charge of the American Legion who will give a patriotic Armistice program at 2 p. m.

The program will be opened by the regular flag ceremonies. Principal John B. Pope will act as toastmaster. J. B. Fowler will give a talk on the flag. There will also be old soldier songs and probably a peace talk with the speaker to be selected in the near future.

All Ex-students are cordially invited to attend the program. After the program those present are invited to attend the Ex-Eagle football game at Buffalo Field.

### NEW PUPILS ENROLL IN CANYON SCHOOL

There have been three new pupils enrolled in the high school since Oct. 15. Helen Howard came here from Amarillo. She is living northwest of town. Helen is 15 years old and is classified as a sophomore.

J. L. Jones, who is a junior, was formerly of Pampa, but he attended school in Groom.

Charles Hutchinson, formerly of Tulia, is a junior. Although he has been living here about a yeaer, he has not been attending school.

### GUESS WHO?

## Geraldine Green Speaks To Girls In Assembly Tues.

Mrs. Geraldine Green, Dean of Women at W. T., talked to the girls in a special assembly last Tuesday. Mrs. Green was named one of the women in Who's Who of American Women this year.

Vocations for girls was the subject for her talk. She said, "What girls want most in life is a feeling of security." Hollingsworth, who made a study of young folks, believed that early in life they wanted to choose a vocation, gain independence from home, establish a friendly relationship with the opposite sex, and build a philosophy by which they will live.

**Education Is Foundation**

Education is the foundation to success. The more education girls have, the more secure they are, the more money they make, and the better jobs they hold, the longer time spent in school, the better fitted are girls to meet the problems of life.

In the field of teaching, there are too many unfit teachers, and not enough good ones. There are too many nurses in the field of nursing who are untrained. Doctors are plentiful, but there are not too many good doctors. A woman who tries it, is practically out of luck, as even the women of her own sex won't visit her if the opposite sex is available. There are no women preachers who are thought much of. Women dentists have been more successful. There are few women psychologists, and in the field of arts, all great pianists, painters, organists, and violinists are men.

**Women Need More Practice**

The reason women are not as great is because they have not had enough practice. Education for women was thought to hurt them mentally 100 years ago. It is no longer a novelty to have women around the office. They must be good or they can't hold the position.

Girls should get their education and training before they marry. Either while working or going to school women should establish a hobby.

**Look Your Best**

Mrs. Green said to look your best always, be as well mannered as you can. Learn how to get along with people; do not say supposedly witty things.

Before choosing your vocation, ask yourself how much training you have. How much does it cost; can I afford it; and where must I get my training?

In closing, Mrs. Green said, "Character is the most important thing, and nothing that adults can tell you will help build up a character; it must come from the inside."

## Amarillo Yannigans Win Over Eagles

The Amarillo Yannigans invaded Buffalo field last Friday afternoon and defeated the Canyon Eagles by a score of 26 to 6.

Raymond Mays, Yannigan back, led the scoring attack making three of the four touchdowns for the Yannigans, most of the Yannigan gain was made by long, end runs.

The Eagles bested the Yannigans in first downs, and plunged and passed the ball from midfield for their single tally which came late in the fourth period when Wandell Johnson plunged the last four yards.

The Eagles gave the future Sandies a hard fight through all the game. Jack Taylor and Wandell Johnson, Eagle backs, stood out on both defense and offense.

## Armistice Brings Holiday Monday

Armistice, next Monday, will bring another holiday to Canyon High School. A pep rally will be held in the auditorium, after which the audience will go to Buffalo Stadium to see the Hereford Whitefaces compare battling ability with the Canyon Eagles.

The staff of The Eagle's Tale will work at school Monday afternoon.

The third year Home Economics class, under the instruction of Miss Fannie Sue Brasuel, gave a semi-formal buffet supper, Oct. 28, at 6:30 p. m.

Anna Kathrine Overton was hostess and Geraldine Heath, assistant hostess.

Supt. I. B. Carruth, Prin. John B. Pope, Jr., and Dr. R. P. Jarrett were special guests.

Thompson Hardware Company has given a Will Rogers and Wiley Post calendar to Supt. I. B. Carruth. The calendar is for this year, and has been placed in the office of Supt. Carruth.

## *Eagles Play Whitefaces Monday Morning At 10:00*

Closing the 1935 schedule football season, Monday morning at 10 o'clock the Canyon Eagles will battle with the Hereford Whitefaces for a conference game. The Whitefaces boast of having six straight victories to their credit.

De Witt Landis, prominent radio sports announcer, said J. D. Clayton, Whiteface quarterback, and Wilber Benge, Whiteface halfback, would be good material for any class-A football team. Clayton is a typical football player who can punt, pass, plunge the line, and skirt around end. He is considered the power house of the Whitefaces.

The Whitefaces downed the Amarillo Yannigans early in the season 14 to 12, while the Yannigans defeated the Eagles last Friday 26 to 6. The Whitefaces with their supreme power and weight are doped to do a great deal of damage to the Eagles, but the dope bucket is seldom right.

The Eagles are expected to be in good condition and will be playing "heads up" football the full 60 minutes of play and may pull out of their cellar position to defeat the Whitefaces.

## Former Canyon Schools' Faculty Passes in Review

As students leave the school, so do the faculty members. When the old building was here, there was an entirely different set of teachers.

A few of them that we recall are: Mr. Ernsburger, who was the first superintendent in the old school building. Mr. Johnston was the second superintendent of schools. Mr. Yoe, who was the third superintendent, now lives near the gulf coast. Other teachers we recall are: Cleveland Baker who runs a filling station here; Superintendent Willis, Elva Fronabarger, who is principal of the grade school, Miss Vina Neal Johnston, Mrs. Ida Rowan Dowd, who now lives in Canyon, Miss Sally McGehee now lives in Canyon, Mrs. Charlotte Ingham Word, now a resident of Canyon, Mrs. S. E. Fish, who lives in Amarillo; Mrs. Maud Brandon Bryant, now lives in Kress; Mr. Mullins, who was principal of the high school; Mrs. Leo Price; Mrs. Clyde Warwich, who lives in Canyon; and Mrs. Ada Ray. These teachers with the exception of Miss Fronabarger never taught in the new buildings.

**Recent Teachers**

Some teachers having taught here more recently are: Mrs. J. D. Barker, who was music teacher for several years, is living in Canyon. Mr. O. T. Barker, former teacher of manual training is teaching at Deport, Texas. Mrs. C. E. Strain, former principal of the grade school, died at her home June 12, 1933. Miss Erin Gamble taught the fourth grade four years and fifth grade reading one year and now is teaching in Sanford, Texas. Mr. and Mrs. T. H. McDonald are living in Amarillo. Mr. McDonald was principal of the high school and Mrs. McDonald taught English. Gordon Thompson, who taught history and was assistant coach for several years, is coaching the Happy Cowboys. Miss Edith Wharton, Mrs. W. J. Wagner, taught reading in the grade school and is living at Girard, Texas; Miss Thelma Thorp taught the first grade here, and is teaching the first grade in Pampa. Miss Frances Singleton who taught the first grade last year, is in Amarillo now. Mr. and Mrs. Edgar Brady are living in Sayre, Okla. Mrs. Brady taught home economics and Mr. Brady taught history and was coach. Miss Irene Angel taught expression here last year and is staying at her home in Canyon. Mrs. Wm. Robinson was principal of the grade school for a half year, and she is now at her home in Canyon.

**Scott Teaches in Hawaii**

Miss Flora Lou Scott who taught music is now teaching in Hawaii; Miss Etheleen Murrel taught history in the high school, and is teaching in Junior high school in Pampa. Mrs. Guy Tabor taught English, and is living at her home in Canyon. Mr. Tabor is now superintendent of schools in Stratford; he was principal of the high school when in Canyon.

Miss Doris Lynn Loudder, who taught English and expression is now married. J. D. Hazlewood who taught geography in the grade school is teaching in Clarendon.

Mr. and Mrs. George Terry, former teachers in Canyon high school, are living in Austin where Mr. Terry is attending State University and is working in the General Land Office. Mr. Terry was the principal of the high school, and Mrs. Terry, former Miss Marguerite Dickinson, was teacher of English and sponsor of The Tagle's Tale.

## Grades Observe Rogers' Memorial

A Will Rogers Memorial program was given in the grade school gymnasium last Monday, attended by the fifth, sixth, and seventh grades. Several songs were sung, including "Home on the Range," and "Old Faithful." The singing was accompanied by Miss Gwendolyn Black at the piano. After the songs, Miss Elva Pronabarger, grade school principal, gave a brief life history of Will Rogers. The program closed with several songs.

**4-B Studies Switzerland**

4-B, taught by Mrs. Isabel Cousins, has been making booklets on Switzerland. They made attractive covers and made a product map of Switzerland. A small Swiss farm has also been made. It is surrounded by mountains, a lake, and a high fence. There are cows eating green grass, and a small Swiss house, with curtains and a Swiss family in native costume standing on the front porch.

The third grade, taught by Miss Ruth Greenfield, is starting a unit on ranching and cattle.

Coy Palmer a student of W. T., met with the chorus club last Monday and will meet with them often this year.

## '35 Pres., Editor Is Clerk in P. O.

Bill Cone, co-editor of the Eagle's Tale and senior class president of last year, is now going to W. T. He is freshman reporter, and is substitute mail clerk at the post office.

Last year he was president of the senior class which took a lead in the school work. He was also co-editor of the Eagle's Tale which won district honors in I .L. P. C. and state T. H. S. P. A. and was largely responsible for the trip the Press Club took to Austin to attend the I. L. P. C. meet.

Now he is taking English, education, and history at the college, and he has secured the position of substitute mail clerk at the post office.

## Canyon Faculty Hears W. A. Stigler

Last Saturday morning 24 teachers of the Canyon Public Schools attended the faculty meeting of the Amarillo teachers, where they heard Mr. W. A. Stigler, director of the curriculum revision of the state department, and Dr. Harry Collins of the University of Oklahoma.

Mr. Stigler spoke on Texas Production of the Unit Work in Curriculum Revision. Dr. Collins talked on activity movement in Curriculum Development.

### NEW REPORT CARDS NOT ISSUED TO 2-B

The report cards for 2-B have not been issued, as Mrs. Stella Murrell, the teacher, is still absent at the bedside of her mother, Mrs. Winstead.

Word has been received that Mrs. Winstead is better, but Mrs. Murrell will not return for two more weeks.

# Diesel Engines Making Rapid Strides, Threatening Gasoline Reign

WHETHER they will drive out the gasoline engine, Diesel oil-burning units are making rapid headway in the field of power.

Already, here and abroad, Diesels have been installed in railroad trains, passenger and freight ships, trucks and pleasure cars, tractors, airplanes, and stationary power plants of all kinds.

Main reason for swelling popularity of the Diesel engine is its cheapness of operation. Not long ago a Diesel-powered auto made the 3000-mile trip across the United States at a total fuel cost of $7.63. The Diesel engine, incidentally, can use the cheapest grade of fuel oil, even coal oil, castor oil or cottonseed oil.

Though its most rapid advance dates back but several years, the Diesel engine is not a new invention. The first one, devised in 1893 by Dr. Rudolf Diesel of Germany, developed such power that it exploded in his face.

Like the gasoline engine, the Diesel has cylinders, pistons, valves, and cooling systems. There the similarity ends.

In the gasoline engine, an extremely fine spray of gasoline-laden air is drawn into the cylinders, where it is compressed to 40 or 50 pounds pressure to the square inch. This mixture is ignited by an electric spark and the gases from the resulting explosion expand and push the piston, which drives the wheels.

In a Diesel engine, ordinary air is drawn into the cylinder, and compressed about 10 times as much as in the gasoline engine cylinder. This high compression heats the air to about 1000° F. A jet of fuel oil is squirted into this red hot air. The oil burns, but does not explode, and the resulting gases expand and push the piston, driving the wheels.

• • •

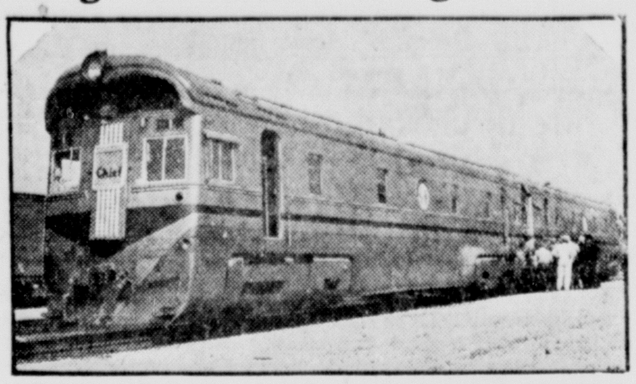
DIESEL motors have no need for carburetors, ignition systems, spark plugs, distributing systems, magnetos, batteries, or intake manifolds. On the other hand, they must be exceptionally sturdy and stable in build, to resist the tremendous internal pressures.

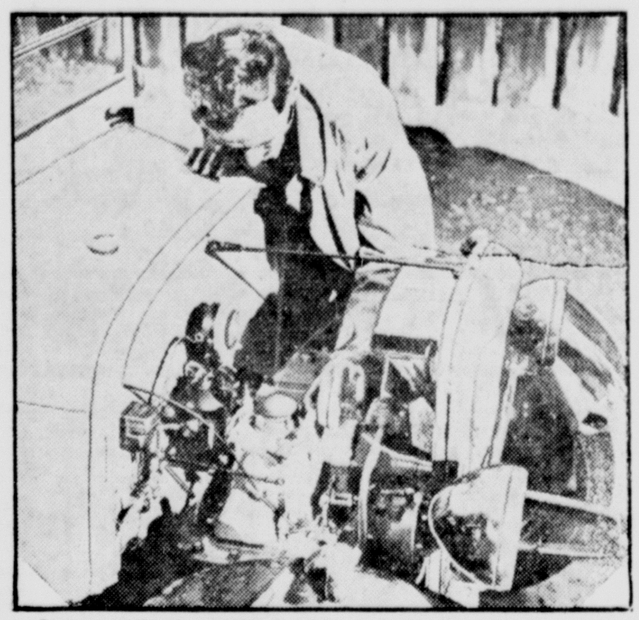
Diesel-powered planes are common in Europe though not, as yet, in America. But a number of Diesel streamline trains are already streaking along American rails; and railroads are also beginning to put full-sized Diesel power plants on their ordinary heavy trains, to improve rail service.

American highways are dotted with Diesel-powered trucks. In Los Angeles, alone, 13 trucking companies have them. These firms, incidentally, report a saving of $69,000 in one month on fuel, using $6000 worth of crude oil as contrasted with gasoline that would have cost them $75,000.

America has been one of the slowest nations to take advantage of the new-type engine. Authorities believe, however, that it should not require more than five years for America really to "Dieselize."

If that happens, they predict the drain on our petroleum deposits will be cut drastically; heavy crude oil of extremely low grade, for which there is now virtually no market, will be utilized; and perfection of small automotive Diesels will permit persons of moderate means to own and operate motor cars at a lower cost than at present.





**Just recently the 3600-h. p. Diesel-electric locomotive, pictured above, which will be used in pulling Santa Fe's crack train, "The Chief," streaked from Los Angeles to Chicago in 39 hours 34 minutes, to hang up a new speed record. Motor of the first light car to be equipped with a Diesel heavy-fuel engine is shown above as it was tested in London a few weeks ago. In this auto, a distance of 65 miles was covered on one gallon of fuel.**

# RAVENS DEFEAT BUFFS IN HOMECOMING GAME 21-7

## Dow Draws First Blood With Touchdown In First Quarter

The Ravens of St. Benedict's rolled over a stubborn Buffalo eleven 21 to 7 before a record homecoming crowd, and again turned toward the bluffs of the Missouri River to continue the dazzling touchdown parade that has marked them as one of the outstanding teams in the nation.

The Buffaloes drew the first blood in the opening quarter after Murry, Clark and Van Noy placed the ball in position for Dow to crash it over. The burly Buffalo fullback cracked Mullins' shock troops for the touchdown, and kicked the extra point.

At this point Mullins sent in his first team and the Buffs' lead faded fast. The highly praised backfield of Neff, Martin, Danaher, and Weiffenbach lived up to all expectations as they began their power drives toward Buffalo territory.

After Champion got off an 80-yard punt early in the second quarter that went over the end zone, Neff immediately hit his own right tackle for 65 yards, being hauled down from behind by Dow. Three Raven thrusts put the ball on the Buffs 8 and Neff again rounded end for the touchdown. Duetsch converted from placement.

In the second half after an exchange of punts, Neff lateraled to Weiffenbach who ran 16 yards for a touchdown. Deutsch again kicked the point.

In the third quarter with Danaher, Neff, and Weiffenbach hitting the Buffalo forward wall hard and often carried the ball to the Buffs' own 8 yard line where Danaher circled end for the pointer. Deutsch's talented toe again came through for the extra.

In the fourth quarter a fighting Buffalo line that never gave up all afternoon despite the fact that they were playing against a superior team, began boring into the Raven backfield and Martin was again forced to punt. With the ball on the Buffs' own 43 yard strip, Gibson, Slack, and Murry pounded out a first down, only to have the final gun find them with the ball in their own possession on the Ravens' 41 yard line.

## Millionaires—for the Moment!

**Bricks or bullion, it's all the same to these trucking men, shown as they transferred a $1,800,000 shipment of silver bullion to armored cars from the S. S. American Banker upon its arrival in Philadelphia, from London. This was the largest single cargo of silver ever received in the Philadelphia port. The 3110 bars of the precious metal will be minted into coins, presumably for South American governments.**

## Zita Breezes

**NOTICE**

THE STATE OF TEXAS.
TO THE SHERIFF OR ANY CONSTABLE OF RANDALL COUNTY, TEXAS, GREETING:

You are hereby commanded to serve the following order and notice by causing publication thereof to be made and for the time and in the manner therein provided:

Now on this the 14th day of October A. D. 1935 at a regular term of the Commissioners Court of Randall County, Texas there was presented to said Court, the following application and petition for re-consideration to wit:

THE STATE OF TEXAS
COUNTY OF RANDALL

TO THE HONORABLE COMMISSIONER'S COURT OF RANDALL COUNTY, TEXAS:

Now comes O. V. Mayben, Q. V. Conner, a widow, Grady Oldham, Levi Cole, R. A. Terrill, C. H. Jarrett, Ray Campbell and Harry Wood, who resides in Commissioners Precinct No. One of Randall County, Texas, and respectfully shows to the court, the following;

That Mrs. Q. V. Conner is the owner of that portion of Survey Number thirty Three (33) in Block Number B-5, Certificate No. 15-3556 Houston and Great Northern Railroad Company Land situated in Randall County, Texas, and more particularly described as Blocks Nos. 14, 15, 16, 17, 18, 19 and the North half of 20, all of 21, 22, 23, 24, 25, 36, 38, 39, 40 and 41 and being a part of the Conner Addition to Canyon City, in Randall County, Texas.

That S. P. Butler, who resides in the State of New Mexico is the owner of that portion of Survey Number 33 Block B-5, Houston and Great Northern Railroad Land, situated in Randall County, Texas and more particularly described as the South half of Block 20 of the Conner Addition to Canyon City in Randall County, Texas.

That O. V. Mayben is the owner of that portion of said Survey Number 33 Block B-5 Certificate No. 15-3556 Houston and Great Northern Railway Land situated in Randall County, Texas and more particularly described as Blocks Nos. 44, 45, 46, 47, 58, 59, 60, 61, 66, 67, 68, 69, and the North half of Block 80, and a strip off the north end of Blocks A. B. C and D about 20 feet wide, that said Mayben purchased said land as acreage property and is now using same for agriculture purposes, all of said property is situated in the Conner Addition to Canyon City in Randall County, Texas.

R. L. McSpadden is the owner of that portion of Survey Number 33 Block B-5 Certificate No. 15-3556 Houston and Great Northern Railroad Land in Randall County, Texas and more particularly described as Blocks 42, 43, 62, 63, 64, 65 and the south 640 feet of Blocks A. B. C. and D that he purchased same as acreage property and is now using same as pasture land.

That on or about the 21st day of April A. D. 1910 L. G. Conner and wife Q. V. Conner caused a plat thereof to be made and recorded in Randall County, Texas, as is fully shown in Volume 21, page 369 of the Deed Records of Randall County, Texas to which reference is here made for a full description of said plat, said land covered by said plat is known as Conner Addition to Canyon City, Texas.

That all the land described above is situated in the center and North East part of said Addition, That none of the Streets and alleys in that part of said addition has ever been opened and used as highways, but as a matter of fact all of that portion of said Section 33 is now in cultivation and pasture land, and that portion now owned by Mrs. Q. V. Conner is used as a Golf Course: That your petitioners as such owners and adjacent owners, or Mortgage holders of said addition are desirous of cancelling that portion of said map and plat embracing the Blocks described above and throwing the same back into Acreage property and closing all streets and alleys, as it existed before such subdivision into lots and Blocks, Streets and alleys was made.

That the cancellation of said map and plat and returning that portion of said Conner Addition back into acreage property will not interfere with the established rights of any person whatsoever.

Wherefore your petitioners pray the court that legal notice be given, and the court enter such orders as are necessary to cancell that portion of the Map and Plat of the Conner Addition covering Blocks Nos. 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 58, 59, 60, 61, 62, 63, 64, 80, and Blocks A, B, C, and D of said Addition to Canyon City, Texas and that all intervening streets and alleys be closed, namely, Evelyn Street or 5th avenue beginning at the South West Corner of Block 14 and the North West Corner of Block 25 of said Addition thence East to the East line of said Addition; And Chestnut Street or 6th avenue beginning at the South West Corner of Block 25 and the North West Corner of Block 36 of said Conner Addition, thence East to said East line of said Addition, and Pecan Street or 7th Avenue beginning at the South West Corner of Block 36 and the North East Corner of Block 47 of said Conner Addition Thence East to the East line of said Addition, and Walnut Street or 8th avenue, beginning at the South West Corner of Block 47 and the North West Corner of Block 58 of said Conner Addition, thence East to the East line of said Addition; and Roper Street beginning at the South West Corner of Block 58 and the North West Corner of Block 69, Thence East to the East line of said Addition; And Terra Blanca Street or 10th Avenue beginning at the South West Corner of Block 69 and the North West Corner of Block 80, Thence East to the East line of said Conner Addition. And G. G. Foster Street or Avenue beginning at the North East Corner of Block 48 and the North West Corner of Block 47, Thence South to the South line of said Addition, and that Hunt, Cowling, Rollins, Terrill and Eakman Avenues their entire length across the Conner Addition be killed and that the said above described Streets and Alleys and Blocks be thrown back to Acreage property as it existed before the platting of said Conner Addition was made.

This the 17th day of July A. D. 1935.

O. V. Mayben,
Grady Oldham,
R. A. Terrill,
Ray Campbell,
Mrs. Q. V. Conner,
Levi Cole,
C. H. Jarrett,
Harry Wood.

On this day came on to be reconsidered the application of O. V. Mayben Seven others for the cancellation of a part of the Conner Addition to Canyon City, Texas filed herein on the 22nd day of July A. D. 1935. Upon due consideration, it is ordered by the court that said application and petition be heard and further considered and action taken thereon at the next regular term of this court, to wit; on the 11th day of November A. D. 1935 and that any person or persons interested in the lands herein described be commanded to appear at said time to protest if so desired, against the action prayed for by the petitioners. Said application and notice of such hearing and action shall be published in some newspaper published in the English language in said County, for three weeks, prior to action of said application as is provided by law and a true copy of this order containing said application as set out above, shall be published as the application for the relief prayed for and as the order of this court giving notice of the time that the court will take action upon said application; and the Clerk of this Court shall issue legal notice of such hearing.

Herein fail not, but have you before this court this notice on the 11th day of November A. D. 1935 with your return thereon showing how you have executed the same.

Given under my hand and Seal of said court this the 22nd day of October A. D. 1935.

A. B. HOLT, Clerk,
of the Commissioners Court
of Randall County, Texas.

A True Copy, I certify.
(Seal) R. N. BARNETT, Sheriff,
Randall County, Texas.

**Phillips 66 POLYmerized *Wakes up* cold, drowsy motors**

IF YOU wonder whether POLYmerization makes any difference in gasoline, your doubts will vanish the instant your toe touches the starter.

With Phillips 66 POLY Gas in the tank, your cold motor gets going with split-second speed. And does so every single time, regardless of the weather!

The reason? POLYmerization crams an extra supply of heat units and ultra-volatile elements into every drop of this vastly improved gasoline.

Result: Marvelously quick starting . . . exceptionally rapid warm-up . . . quiet, silent action . . . added pep and power . . . and the specific saving of more miles per gallon.

For convincing, conclusive proof that this latest scientific development in gasoline *means something* to your motor and your pocketbook, try just one tankful of the new, high-test Phillips 66 plus POLYmerization. It costs nothing extra.

## Miniature Barber Chair From Haskel Placed in Museum

Pioneer settlements of West Texas usually boasted a barber shop, but the shop did not always contain a barber chair. In 1885 a barber shop in Haskell county was equipped with a home-made chair built on the top of a beer keg. The chair was tilted back with a spring and held in position by a strong strap. After it was discarded the old chair was stored for many years in a building belonging to the Haskell Free Press. It was finally burned, but a miniature was built by H. B. Martin of Haskel and placed in the Panhandle-Plains Historical Society Museum at Canyon.

## Postoffice

(Continued from first page)

G. G. Foster made a survey for Mr. Holloway, and corner posts were set on the property.

The city commission held a special session Thursday to meet the engineer and architect to discuss facing of the building and widening the streets on the two sides of the lot.

Everything that can possibly be done to speed up construction seems to be under way by the government. Mr. Holloway announced when arriving last week that he had never seen the government so much in a hurry to get started on a postoffice building.

### METHODIST CHURCH

The Rev. J. O. Haymes, Presiding Elder of this district, will preach at the morning services of the Methodist Church, Sunday, filling the pulpit of the pastor, J. O. Quattlebaum, Jr. This is the last Sunday of the Conference year.

Mr. Quattlebaum will attend the general Conference at Plainview next week from Wednesday through Sunday.

## Out for a Little Exercise

When a woman wants to go somewhere, it takes more than a man to stop her, as this scene of an elephantine tug-o'-war reveals. At a Tokio zoo, Ella resisted the combined efforts of 60 men to halt her.

## Homecoming Has Broadcast Program Saturday Morning

Dr. A. M. Meyer represented the faculty of the local college on a short Homecoming broadcast which was given at the breakfast hour last Saturday. Felix Phillips, an ex-student, who is now principal of the Sanborn school in Amarillo, was announcer for the 15 minute program.

George A. Heath of the class of '28, who is now superintendent of schools at White Deer, represented the Ex-student Association.

Houston Bright, a student, sang, and Joe Hill, Jr., concluded the program with a whistling solo. Both were accompanied by Miss Frances Usery of the music department.

Mrs. W. R. Redfearn of Miami, Ariz., and Mrs. Charlie Moore and children of Raton, N. M., spent Sunday here with Miss Columbia Redfearn.

## Palo Duro Peeps

Several ex-students of this community attended Homecoming at W. T. last Saturday.

Mr and Mrs G H Leseberg visited in the home of Mrs Joe Tucek Tuesday

Relatives of Mrs. Ida Rogge from Kansas are visiting in Mrs. Rogge's home this week.

Mrs. John E. Albers entertained the Lutheran Ladies Aid, Thursday.

Rev. Frerking of Amairillo and Mrs. Margarethe Meyer were guests in the Henry Miller home Sunday night.

Mr. and Mrs. Fred Schuette and family visited in the Herman Kuhlman home Sunday night.

Miss Herta Meyer of Friona spent the week end with her parents, Mr. and Mrs. Herman Meyer.

The Albers children were absent from School several days this last week due to illness.

Mrs. Ida Rogge and relatives from Kansas visited in the Henry Gerdsen home Tuesday night.

## Turkey Show Will Be Held at Plainview Next Month

December 4, 5, and 6 are the dates for the second annual Southwestern Dressed Turkey Show at the City Auditorium at Plainview. More than $400 in premiums are offered, including a cash prize of $5.00 for the heaviest dressed bird in the show.

The only show of its kind in the Southwest, the Plainview event is sponsored by the Hi-Plains Turkey Improvement Association and the Plainview Board of City Development. Last year more than 1,000 entries were made by exhibitors throughout the Southwest.

A feature of the show is the annual sale, which will be held this year on Friday afternoon, Dec. 6. Governor James V. Allred is being invited to act as auctioneer. Last year the average price at the sale was 29½ cents per pound, and the Grand Champion of the show brought $65.00. It is expected that the price will be much better this year. Buyers throughout the Panhandle are looking forward to the event with great interest.

### HERMAN GLASS APPROVES BOOK OF DR. ANDERSON

Herman A. Glass, superintendent of schools at Bonham, and considered one of Texas authorities on the teaching of social sciences, has recently commented upon the Guide Book in Texas History recently produced by Dr. Hattie M. Anderson and Miss Gene Moore.

Mr. Glass writes: "I consider this a very unique and splendid contribution to teaching materials in Texas history."

The Guide Book continues to receive favorable comments from wide spread places.

Wade Johnson underwent an operation for appendicitis Monday at an Amarillo hospital. He is reported to be improving very nicely.

## CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices.

All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion.

Word ads intelligently—do not try to save a few cents by leaving out necessary words; tell who, what, where, and, if essential, when and why.

## Boy Star Faces Custody Battle

The comradeship which has existed between Freddie Bartholomew, 11, and his guardian-aunt, Miss Millicent Bartholomew, pictured above, since the boy actor was 3, was threatened by reports that Freddie's parents in England would seek to regain custody of the talented lad. Miss Bartholomew indicated she would seek permanent custody of her nephew.

Charity is destroying manhood. Nature intended we should not get something for nothing.

Many a fellow who tells others how to use their brains doesn't know how to use his own.

The wise man meets an emergency head on, and butts a little harder than it does.

Yes, others know a few things that you don't know, but they don't amount to much.

Woman automobile driver struck a lamp post but she didn't claim it was on the wrong side of the street.

Well known bachelors and unmarried women have been telling, in a series of newspaper articles, why they never were wedded. Isn't it about time to hear from some of the married folks?
